

# SPEAK OUT FOR ENGINEERING.

Institution of  
**MECHANICAL  
ENGINEERS**

**Are you looking for a way to get the recognition you deserve for an engineering project that you have put that little bit extra into?**

Are you a capable presenter, looking for a new challenge and exposure to expert criticism and industry contact?

Are you keen to showcase your work and skills in a forum designed to develop communication skills that are crucial to a successful engineering career?

**Speak Out For Engineering** offers individual entrants the opportunity to present on an engineering project to compete for prizes, including cash!

The competition is open to all members of the IMechE at every level, and is a great opportunity to get a bit of fun out of any project related to engineering.
